

The Role of the Chief Executive Officer

- leading and managing the development of the Group's strategic direction and objectives;
- identifying and executing acquisitions and disposals and leading geographic diversification initiatives;
- reviewing the Group's organisational structure and recommending changes as appropriate;
- identifying and executing new business opportunities;
- overseeing risk management and internal control;
- managing the Group's risk profile, including the health and safety performance of the Group;
- implementing the decisions of the Board and its Committees;
- building and maintaining an effective Group leadership team;
- reporting to the Board on operating performance;
- encouraging the implementation of culture throughout the business;
- maintaining communication with key external stakeholders;
- ensuring the Chairman and the Board are alerted to forthcoming complex, contentious or sensitive issues affecting the Group.
